

Xiaomi Mi Robot Vacuum Cleaner

Description:

The Mi Robot Vacuum Cleaner is a highly intelligent home cleaning device with 12 different sensors. Three different processors track its movements in real-time and calculate the data using Simultaneous Localization and Mapping (SLAM) algorithm to map out the layout of your home and determine the best cleaning routes

Specification :

Manufacturer	Xiaomi
Model	Mi Robot
Type	Vacuum Cleaner
Dimensions	
Weight	3,8 kg
Material	ABS
Motor	Nidec brushless DC
Suction (pa)	1800pa

Rated voltage	14.4V
Rated power	55W
Features	Suction,Sweep
Batteries type	Li-ion
Battery capacity	14.4V / 5200mAh
Working Time	2.5h
Wireless connections	Wi-Fi
Charging Dock	Dimensions 230mm x 109mm x 129mm
	Rated power 55W
	Rated Input 100 — 240V ~
	Rated output 20V 2.2A
	Rated frequency 50 / 60Hz
Color	White
Package	1 x Xiaomi Mi Robot Vacuum
	1 x CN Plug Adapter
	1 x Charging Dock

12 different types of sensors
