

## Xiaomi MiJia Induction Heating Rice Cooker 2 White

### Description:

How to make a bowl of delicious rice?

You need a smart IH Pressure Rice Cooker. MiJia IH Pressure Rice Cooker is your best choice, it not only has the most advanced electromagnetic heating technology, but also a modern micro-pressure heating technology that allows to heat rice uniformly. The base layer of cast iron combined with the intelligent heat control gives an unmatched thermal stability and permeability, and can be adjusted according to different preferences and different rice types.

### Specification :

Manufacturer	Xiaomi
Type	IH pressure rice cooker
Name	MiJia IH Pressure Rice Cooker
Model	YLIH01CM
Capacity	3.0L
Heating	5.0 inches (~69.9% screen-to-body ratio)
Inner pot material	cast iron
Rated power	1100W
Voltage	220v
Rated Frequency	~ 50Hz
Rated working pressure	20kPa
Dimensions	300×251×212 (mm)
Weight	6.45kg
Wireless connection	Wi-Fi IEEE 802.11 b / g / n 2.4GHz
